Subject: Polling District Review

Good morning

We are currently undertaking a review of our polling districts in South Cambridgeshire.

All councils are required by law to keep their polling districts and places under review. Polling districts are the building blocks of electoral areas. Most of our polling districts are formed along the same boundaries as our parishes. To make the review more inclusive we are also asking for views on our polling station arrangements, including looking at accessibility of stations for disabled voters.

We are starting our review now and would like to invite parish councils to share their views.

Full details can be found on our website at <https://www.scambs.gov.uk/your-council-and-democracy/elections/polling-district-review/>

If you wish to comment or have any questions please contact elections@scambs.gov.uk. The consultation is open until 27 November.

Many thanks
